About Tata Institute of Social Sciences (TISS)

Tata Institute of Social Sciences, a multi campus institution deemed to be University under Section 3 of the UGC ACT 1956, and a grant-in-aid Institute under Ministry of Education, Government of India, was established in the year 1936.

TISS occupies a unique position among the higher learning institutions in the country and stands out as an institution of excellence that continually responds to the changing social realities through the development and application of knowledge towards creating a people-centred, ecologically sustainable and just society that promotes and protects dignity, equality, social justice and human rights.

TISS offers various Undergraduate programmes in Social Work, Social Sciences, Analytics and Sustainability Studies, and Skill Education, besides Postgraduate programmes and Doctoral programmes.

School of Skill Education (SSE)

The School of Skill Education (SSE) was set up in 2011 to spearhead the Institute's commitment to provide skill education and training to millions of youth in India through appropriately designed industry relevant/market oriented skill educational programmes.

The core vision of the School is to create sustainable skill income sources for the youth by skilling them in key industrial job competencies through industry relevant educational programmes that would promote better employability, better livelihood, a brighter future and subsequently contribute to the economy of the nation.

Each of the Bachelor's degree programmes is a direct outcome of India's recognition of the importance of skilling the youth to meet the demand for 'skilled' workforce by the industries. All the programmes incorporate the skill sector's specific job roles and their corresponding National Occupational Standards (NOS).

The curriculum is an integration of general education and job-specific knowledge and skills which is transmitted through a blend of taught classes and practical skill training - a unique, distinctive skilling pedagogy brand of TISS SSE emphasizing on holistic education. The on-the-job training (OJT) is conducted at the real shop floor of the booming industries and companies of the skill sector. This practice based pedagogical process provide students the opportunity to 'work while they learn', directly in the workplaces of the industries and acquire the much needed work-oriented experiential learning and the standard job specific skills, simultaneously. Sometimes, students may receive a modest stipend during their on-the-job training/skill internship.

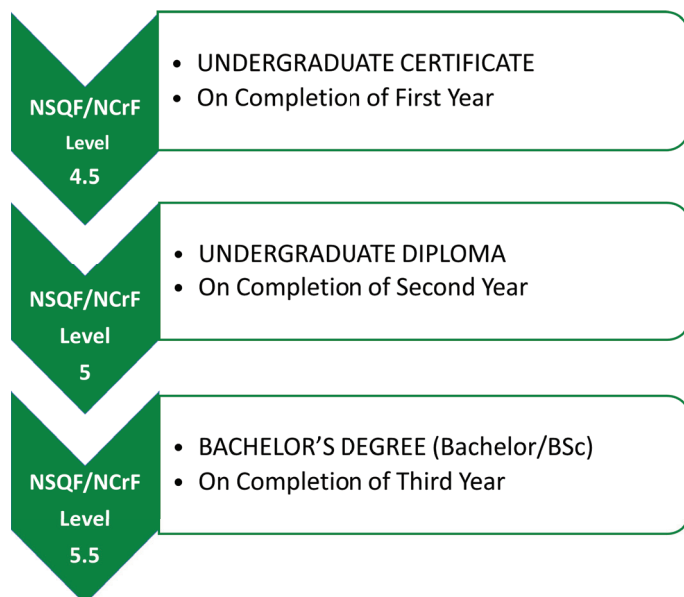

The one of a kind 'work integrated' skill training programmes offered by TISS SSE focusing on developing job-specific skills along with broad based education is being implemented for the first time in India.

Programmes Offered

The School of Skill Education, TISS offers various skill internship/apprenticeship embedded Bachelor, Post Graduate Diploma and Diploma programmes.

In the academic year 2025-26, the School offers 24 Bachelor Programmes, 3 Diploma Programmes, and 8 Post Graduate Diploma Programmes conforming to UGC guidelines. In addition to this, the School offers 3 Short-term Skill Enhancement Programmes (StSEP) in counselling, and health care, running during May-June and August-September. We also offer outcome-based education.

The academic-cum-skill progression and certification with multiple entry and multiple exit (ME–ME) pathways of the Bachelor's programmes is illustrated below:

Every individual year of the 3-year degree programmes is a stand-alone certification aligned with the National Skills Qualification Framework (NSQF, 2023) and National Credit Framework (NCrF, 2023) at levels 4.5 for the first year, 5 for the second year and 5.5 for the third year in line with National Education Policy (NEP 2020), all awarded by TISS SSE and recognized across national and international universities.

The students are job ready at every exit point. On completion of the programme opted for, a student has broadly 3 career trajectories to choose from, among others- to go for placement or employment, to become entrepreneurs by initiating their own start-ups or pursue higher education.

Eligibility Criteria

- a) HSC/equivalent, or
- b) SSC + 2 years of ITI

For details of the programmes,
Visit: <https://sve.tiss.edu>

- Candidates appearing for their final HSC/equivalent examination can also apply provided they meet the eligibility criteria and upload all the necessary documents at the time of admission. The 10+2 or equivalent examination should have been conducted before the course commencement date.
- Admission to the programme is “provisional” till all the mandatory documents are submitted by the candidate and the same is verified and approved. If it is found that the candidate is not eligible at any stage after selection/admission /course commencement, the admission to the programme will be cancelled and fees will be refunded as per refund rule clauses.

The 1-year Diploma aligned with NSQF/NCrF level 5 and Post Graduate Diploma programmes aligned with NSQF/NCrF level 6 and level 6.5 aim to produce highly efficient professionals equipped with the necessary knowledge, skills and attitude to effectively deal with various pertinent problems faced in the work sphere. Each programme has different eligibility criteria.

The StSEPs are industry driven programmes developed by the domain experts to quickly equip students, professionals and practitioners with industry-demand knowledge and skills that address the immediate needs of diverse industries in the job market. Each programme has different eligibility criteria.

SSE PROGRAMMES ACROSS 18 SKILL SECTORS

- *Agriculture*
- *Automotive*
- *BFSI*
- *Capital Goods*
- *Child Care*

- *Electronics*
- *Education*
- *Food Processing*
- *Healthcare*
- *IT - ITeS*

- *Life Sciences*
- *Logistics*
- *Management & Entrepreneurship*
- *Media & Entertainment*

- *Power*
- *Retail Association*
- *Sports*
- *Tourism & Hospitality*

Bachelor Programmes

1. Bachelor in Agriculture
2. Bachelor in Automotive Servicing Technology
3. Bachelor in Automotive Manufacturing Technology
4. Bachelor in Banking, Financial Services and Insurance
5. Bachelor in Industrial Tool Manufacturing
6. Bachelor in Mechatronics Technology
7. Bachelor in Production Technology
8. Bachelor in Child Protection
9. Bachelor in Early Child Development
10. Bachelor in Electronic Manufacturing Services
11. Bachelor in Office Automation
12. Bachelor in Refrigeration and Air Conditioning
13. Bachelor in Applied Social Research
14. BSc in Medical Imaging Technology
15. BSc in Medical Laboratory Technology
16. BSc in Dialysis Technology
17. B. Optom (Bachelor of Optometry)
18. BSc in Patient Care Management with Specialisation in Palliative Care and Geriatric Care
19. Bachelor in Software Development
20. BSc in Artificial Intelligence and Machine Learning
21. BSc in Pharmaceutical Manufacturing
22. BSc in Manufacturing Technology (Pharmaceutical Chemistry)
23. Bachelor in Sales and Marketing
24. Bachelor in Operations
25. Bachelor in Graphics and Multimedia
26. Bachelor in Journalism
27. Bachelor in Renewable Energy Technology
28. Bachelor in Retail Management (The Retail Ready Programme)
- 29a. Bachelor in Retail Management with Specialisation in Automotive Retail
- 29b. Bachelor in Retail Management with Specialisation in Automotive Retail (in Collaboration with Maruti Suzuki India Ltd.)
30. Bachelor in Sports Management
31. Bachelor in Travel and Tourism
32. Bachelor in Hospitality Management
33. Bachelor in Hotel Management
34. Bachelor in Hotel Management (Golden Threshold Programme)

Diploma Programmes

1. Diploma in Agriculture and Agri Input Management
2. Diploma in Auto Diagnosis and Repair
3. Diploma in Operation Theatre Techniques
4. Diploma in Emergency Medical Technician
5. Diploma in Geriatric Care
6. Diploma in Computer Applications

Post Graduate Diploma Programmes

1. Post Graduate Diploma in Agribusiness Management
2. Post Graduate Diploma in Banking, Financial Markets and Insurance
3. Post Graduate Diploma in Bank Credit Management
4. Post Graduate Diploma in Markets, Banking and Operations
5. Post Graduate Diploma in Early Child Development and Education
6. Post Graduate Diploma in Food Technology
7. Post Graduate Diploma in Dialysis Technology
8. Post Graduate Diploma in Emergency Medical Services
9. Post Graduate Diploma in Critical Care Technology
10. Post Graduate Diploma in Medical Laboratory Technology
11. Post Graduate Diploma in Histotechnology and Cytotechnology
12. Post Graduate Diploma in Computer Applications
13. Post Graduate Diploma in Cyber Security
14. Post Graduate Diploma in Logistics with specialisation in Supply Chain Management, Big Data and Data Analytics, Drone Operations
15. Post Graduate Diploma in HR and Administration
16. Post Graduate Diploma in Digital Marketing
17. Post Graduate Diploma in Training and Development

Short-term Skill Enhancement Programmes (StSEPs)

1. Certificate Programme in Practice of Counselling Skills
2. Certificate Programme in Basics of Cancer, Palliative, Chronic Dependency and Geriatric Care
3. Certificate Programme in Oral Lesion, Cancer detection and Tobacco Cessation

Admissions Open for the Academic Year 2025-26 (July Batch)

29		Bachelor in Travel and Tourism	Maharashtra (Mumbai)	10 + 2 or equivalent in any stream	Rs. 52,800/- per annum
30	Healthcare	B. Optom (Bachelor in Optometry)	Maharashtra (Mumbai), Delhi (New Delhi), Telangana (Hyderabad), West Bengal (Kolkata)	10 + 2 or equivalent in Science stream and Diploma in Optometry	Rs. 52,800/- per annum
31		BSc in Dialysis Technology	Maharashtra (Mumbai), Kerala (Mallapuram, Kozhikode, Kannur, Piravam), West Bengal (Jalpaiguri),	10 + 2 or equivalent in Science stream	Rs. 52,800/- per annum
32		Diploma in Operation Theatre Techniques	Maharashtra	10 + 2 or equivalent in Science stream	Rs. 48,000/- per annum
33		BSc in Medical Imaging Technology	Maharashtra (Mumbai, Pen, Pune, Nandurbar), Kerala (Mallapuram, Kozhikode, Cheganoor), West Bengal (Jalpaiguri)	10 + 2 or equivalent in Science stream.	Rs. 52,800/- per annum
34		BSc in Medical Laboratory Technology	Maharashtra (Mumbai, Pen, Pune, Satara, Nandurbar, Ahmednagar, Gondia), Kerala (Mallapuram, Kozhikode, Kannur, Cheganoor, ,Cochin), West Bengal (Jalpaiguri),	10 + 2 or equivalent in Science stream.	Rs. 54,000/- per annum
35		Post Graduate Diploma in Medical Laboratory Technology	Maharashtra (Pune)	Graduates in Science/Applied Science/ Bachelor in Medical Lab Technology from a recognised university.	Rs. 1,20,000/- per annum
36	Food Processing	Post Graduate Diploma in Food Technology	Maharashtra (Mumbai)	Graduates in Agriculture/Food Technology/ Dairy Technology/ Horticulture/Home Science/ Agriculture Engineering ,Science graduates with Chemistry/Life Science/Biotechnology/Microbiology/BE are eligible for the admission	Rs. 1,08,000/- per annum
37	Sports	Bachelor in Sports Management	Mumbai	10 + 2 or equivalent in any stream	Rs. 1,20,000/- per annum

Pursuing Skill Education Programme at TISS SSE: The Way Forward

• How is the Skill Education/Training Conducted?

Faculty of TISS SSE delivers classroom based domain specific knowledge and value added courses, while hands-on skill training is conducted through internship/apprenticeship directly in industry workplaces.

• Who are the Knowledge Partners for Skill Training?

KPSTs are the Industry partners specialised in specific skill training offering internship/on-the-job training; and the Academic Facilitators who support/oversee the academic and skill training activities of the students at the local level

• Which is the Awarding Institution?

All the Degrees, Diplomas, and Certificates are awarded by TISS

• Are the Ongoing Bachelor's Degree Programmes Approved by UGC?

All the ongoing Bachelor's programmes are approved by UGC. Please visit the given

link: https://www.ugc.ac.in/pdfnews/3986236_NSQF-999-newly-approved-institutions.pdf.

(Check row no. 928 or page no.79)

• Who can Benefit from the TISS SSE Programmes?

- 12th standard passed students/10+2 ITI/10+2 MSBSVET (equivalent to ITI) interested in pursuing skill education that can facilitate their entry into the job market.
- Organizations interested in upgrading the qualifications of their employees by providing an opportunity to pursue skill education degree/diploma/PG diploma/certificate programme in top-notch university without having to leave their jobs.
- Organizations aiming to enhance retention, efficiency, and productivity of the workforce.
- Industries that employ a part-time, temporary or seasonal workforce and are interested in enhancing skills through internship opportunities.

Salient Features of TISS SSE Programmes

1. UGC approved/NSQF/NCrF/NEP aligned programmes
2. Bachelor's Degree is recognised at par with the other Bachelor Degrees for Competitive Examinations Conducted by UPSC/SPSC/SSC
3. TISS SSE offers 60 Skill Specific programmes in 18 Sectors such as Undergraduate, Diploma and PG Diploma levels of education and skill training, including Short-term Skill Enhancement programmes (StSEP) to cater to the varied needs of students.
4. Association with Skill Sector/Programme specific Industries and Academic Facilitators as Knowledge Partners for Skill Training
5. The programme/course curriculum embeds Outcome Based Education (OBE) as per National Education Policy 2020
6. Work While You Learn Approach
7. Opportunity to Earn Stipend
8. Skill Training/Internship is a mandatory component
9. A blend of Online and Offline Taught Classes
10. Association with resource persons possessing academic excellence and industry expertise as Domain Experts
11. Industry job relevant programmes and curriculum content
12. Placement Assistance
13. Facilitate selection of the right Programme for students via Skill Aptitude System (SAS) developed by TISS SSE
14. Certification on completion of 1st year, 2nd year and 3rd year at NSQF/NCrF 4.5, 5 and 5.5 Levels respectively
15. Multiple Entry and Exit Pathways at relevant NSQF and NCrF levels with a certificate for all the Bachelor Programmes
16. Life Skills and Career Counselling Facility
17. Recognition of Prior Learning (RPL)
18. Lateral Entry to 2nd Year of the Bachelor's Programmes through credit mapping
19. Collaboration with Sector Skill Councils for Assessment, Certification, offering the programmes (in some sectors) and Other Benefits
20. Practical Skill Assessment by Sector Specific Experts
21. Students' exposure to recent development in their study fields through conferences/ seminars/ workshops/panel discussion/webinars/guest lectures, etc.
22. Building Alumni Connect
23. Short Term Upskilling/Reskilling Programmes - via workshops, certificates programmes, skill enhancement programmes, etc.

“कौशल भारत से खुशहाल भारत”

How to Register for TISS SSE Programmes?

1. For online registration and filling admission form visit
<https://sve.tiss.edu/admission/>
2. Select programme and OJT location
3. Upload mandatory documents
4. Pay Application/ registration fee of Rs. 200/- for each programme applied
(Registration fee is non- refundable)
5. Verification and confirmation of programme and location
6. Payment of first Instalment fee and confirmation of provisional admission before
the last date of completion of admission formalities
